

Homeowners,

The Board has set the date for the HOA meeting where we will discuss and vote on the SBA loan and special assessment. Please save the following date and plan to attend.

**Special Meeting Date: 24 August 2010**

**Time: 6pm**

**Place: TBD**

The Board will also be sending out the "Informational Packets" to all homeowners with the details of the loan and other valuable information by August 6th. Please be on the lookout for the packet. After reviewing the packet if you continue to have questions, submit them via the website at [www.riverfrontcondominiums.org](http://www.riverfrontcondominiums.org) under "Contact Us" section and send to "Website Administrator" or send a direct email to [riverfrontcondominiums@live.com](mailto:riverfrontcondominiums@live.com).

If questions are submitted, the Board will create another "Q & A" document with answers to your questions and try to send those back out prior to the August 24<sup>th</sup> meeting. We will do everything possible to address your concerns so that homeowners can come to the meeting as prepared and informed as possible.

Again, please save the date above and plan to attend!!

Thanks,

The Board
